BETH-EL HOSPITAL, Colorado Springs, Colo.

Beth-El Hospital

COLORADO SPRINGS, COLORADO

Is the only Protestant Hospital in Colorado Springs and the only Methodist Hospital in Colorado Conference.

The facilities of Beth-El Hospital are planned to meet the wishes of everyone. Each department—maternity, medical, surgical—has its own supervising nurse who is a specialist in her work, and who is aided by a competent and ample corps of nurses. Making use of Beth-El during illness of any kind not only aids the patient to better recovery, but at the same time saves worry and confusion among the remaining members of the household.

The situation of the hospital is quiet, restful and beautiful, ideal for effective treatment and recuperation of the sick. Special attention is given to Diabetic patients. This can be done in a thorough manner because of the excellent facilities of our laboratory and dietetic departments.

The Beth-El Hospital Training School for Nurses is a fully accredited Class A school, offering a full three years' course, covering all the branches of nursing.

KEEPING step with the West, the University of Denver is forging forward with the city from which it takes its name. As the West grows, the University, too, is adding new buildings, new equipment, new students.

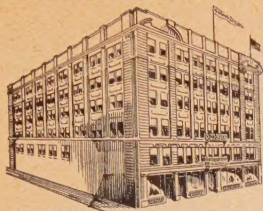

There are now ten separate colleges in the University, most of them on the beautiful campus at University Park, but some conveniently situated downtown. Besides the liberal arts courses, training is offered for various business, technical and professional careers.

This institution is growing to meet the increasing demands, but it never will place mere size above the quality of its instruction. It is in its standards of scholarship and the high character of its graduates that the University of Denver takes the greatest pride.

Report on Grace Church by the Social Service Commission

We recognize in Grace Church, Denver, one of the distinctive institutions of Colorado and of the church at large. Destined to go the way of most downtown churches from which populations move, this organization justified its continued existence by dedicating itself to the task of acquainting the unchurched masses with the real Kingdom-building program of the Church.

Its success in thus evangelizing anti-church opinion has been frequently attested, but never more abundantly than on the occasion of the recent National Recognition Dinner when men and women of all classes and professions from all parts of America wrote in appreciation of its work; not a few declaring that Grace Church had re-established their faith in the churches.

The story of how a heroic membership has carried on a program of church-wide significance against tremendous odds has not received the recognition it deserves. A survey by the Institute of Social and Religious Research made some four years ago characterizes the financial problem of Grace Church as "extra-hazardous and difficult of solu-

tion." It was found that during that year only 31 per cent of the current budget came from the pledged contributions of its members. Growing unemployment has made the situation increasingly difficult.

In view of this situation and the unique contacts of Grace Church, we commend its larger support to the Board of Home Missions and Church Extension and invite for it the generous consideration of men and women irrespective of church affiliation, but particularly of such as hope for a new day in the relation of the churches to human welfare.

We further approve the plan to develop an associate membership and endorse the plan already approved by the resident bishop of enlarging the present board of trustees of Grace Church so as to include men of Colorado and elsewhere who are especially interested in the successful issue of such an undertaking.

L. B. LONGACRE, Chairman,

A. A. HEIST, Secretary.

VI. Reports

(b) STANDING COMMITTEES AND BOARDS

REPORT OF THE COMMITTEE ON EDUCATION

For years it has been the custom of this committee to embody in its report a summary of the reports of the heads of the several educational institutions under its care. We have decided, as we did last year, to ask that the full reports as presented by Chancellor Hunter, President Cutshall and Dr. Hollenback, be made an integral part of this report.

THE ANNUAL REPORT OF THE CHANCELLOR OF THE UNIVERSITY OF DENVER

To the Colorado Conference of the Methodist Episcopal Church
Gentlemen:

May I take this opportunity to extend hearty greetings to the members of the Colorado Conference and to express my pleasure at the new relationship which brings you and myself together. The history of achievement of the University of Denver, its support by this great church, the faith in it manifested by Colorado leaders and the record of contribution and loyalty established by its faculty all combine to make this field of work inviting. If we may prophesy for the future from the record of the past and from the rich opportunity of environment and public confidence, we may catch a vision of a yet greater career of true service by this institution to the youth of Colorado.

Even though it is my official duty as chief executive of the University of Denver to report to this body, it is necessary that I do so largely through the executive under whose able direction the work of the year has gone forward. Since barely two months have elapsed since my induction into office July first last, this report is from the institution as it operated under the leadership of Dr. W. D. Engle, who has served efficiently as Acting-Chancellor from the date of Dr. Harper's resignation.

The following is Dr. Engle's report upon the work of the year, supplemented by a brief statement of my own:

REGISTRATION

"Registration in all departments for the academic year 1927-28 was 3,524. The following table shows the attendance for the last ten years. Since the fall of 1922 there has been little change in the number of students.

1918-1919	1,450
1919-1920	1,774
1920-1921	2,780
1921-1922	3,278
1922-1923	3,504
1923-1924	3,635
1924-1925	3,616
1925-1926	3,585
1926-1927	3,467
1927-1928	3,524

"The following is an analysis of the enrollment for the present year by schools. The figures for 1926-27 are also given in order to make comparisons:

	1926-27	1927-28
Graduate School	61	51
College of Liberal Arts	1,062	1,068
Schools of Electrical and Chemical Engineering	156	158
School of Pharmacy	40	32
Summer School	811	824
City College	807	758
School of Law	88	80
School of Dentistry	139	113
School of Commerce	771	972
Total	3,935	4,056
Less Double Counts	468	532
Net Total	3,467	3,524

"By way of explanation it may be noted that decrease in attendance in the Law and Dental Schools is the result of higher entrance requirements. One year of College of Liberal Arts work is now required of students entering the Dental School and two years for those entering the Law School. The School of Pharmacy has been changed from a two-year to a three-year course. A further study of the figures for the schools on the campus at University Park is given in the report of Dean Duncan.

PHYSICAL PLANT

"A year ago it was reported that the money was on hand for the erection of the Margery Reed Mayo Memorial Hall. Much time was spent in preparation of the plans for this building and it was not until February 9 that the ground was broken. The building is now well under way and will be finished in the fall. It will be a beautiful building of Collegiate Gothic architecture, and is supposed to establish the type of architecture for all new buildings to be erected on the campus. It will be primarily a classroom building, and will contain seventeen recitation rooms and ten offices for the professors. In the basement are five large rooms which can be used as laboratories. In addition to these rooms there will be a beautiful and well-equipped Little Theatre capable of seating nearly three hundred. The University's most pressing need has been for classrooms, and this building, when completed, will meet this need.

"The designing architect of the building, Mr. Charles Klauder of Philadelphia, has also prepared a tentative plan for the campus, locating the various new buildings which will be erected in the years to come. The Margery Reed Mayo Memorial Hall is the first building to be erected under these new campus plans. When the other buildings are completed the University of Denver will have a very beautiful campus.

"During the year a beautiful bronze statue was presented to the University as a tribute to Mrs. Verner Z. Reed and commemorates both her friendship for the University and her interest and generosity toward many good causes in Denver. The memorial is the voluntary gift of many friends of Mrs. Reed, and of the students, faculty and alumni of the University. It was made possible by the enthusiasm and work of Mrs. M. J. Dunleavy. The statue consists of two figures representing Alma Mater and student, or mother and daughter. It was designed by Enrico Licari of Denver. It will be placed on the terrace in front of the main entrance of the Margery Reed Mayo Memorial Hall. It is a beautiful work of art and will be a fine addition to the campus.

"Our present heating plant is already carrying a full load. The erection of the new building necessitates an enlargement of this plant. Plans for this enlargement are now being drawn and the necessary changes will be made during the summer months. This will necessitate an outlay of approximately \$12,000 as is shown in the Treasurer's report.

"Our Library has been growing rapidly both as to the number of books and periodicals, and as to its use by students and faculty members. The completion of the Margery Reed Mayo Memorial Hall will permit us to restore to the Library the use of some of the basement rooms which have been required as recitation rooms. This will relieve the situation somewhat, but the University must face the necessity of soon erecting a larger library building.

"The proper housing of the School of Dentistry and the School of Law is still a problem confronting the University. The School of Dentistry is now located in the two buildings at 1340 Arapahoe Street. These buildings are inadequate and unsatisfactory and the schools must be furnished better quarters very soon. During the year the School of Law has been moved from its location on Arapahoe Street to the present building at the corner of Fifteenth and Cleveland Place. This building, together with the building now occupied by the Board of Water Commissioners, was given to the University some two years ago by the President of our Board of Trustees, Mr. John Evans. The Law School rooms on the second floor of this building are much better than the quarters formerly occupied by the school, but a new building will be necessary in the near future.

"The building on the corner of Twentieth and Glenarm Place, erected by the School of Commerce, is proving very satisfactory for the work of that school.

PERSONNEL

"The resignation of Dr. Heber R. Harper as Chancellor of the University was accepted by this Board just a year ago. Dr. Harper was able to stay with us as our chief executive until the first of August. At that time he went east to enter Columbia University. He has been studying the field of international education and I understand will continue in this work at Columbia during the first half of the Coming year.

"In December Mr. James Grafton Rogers, who had been persuaded to assume temporarily the Deanship of our Law School, resigned and Mr. Roger H. Wolcott was elected as Dean. As Mr. Wolcott had been serving as Assistant Dean prior to this election, there was little change in the management of the school. Dean Wolcott has taken hold of the problems of the Law School in a very fine way and has made marked advances. During this year the University has added to the staff of the Law School, the number of full-time instructors required by the rules of the American Bar Association. As a result of this change the school has been placed on the approved list of this association. This is a much-desired recognition and gives the school a much better standing with the legal profession of Denver and throughout the nation.

"Mr. Howard E. Cooper was in attendance at Columbia University during the year 1926-27. During the present year he has been back in his old place as Registrar in the School of Commerce. He has been offered a fellowship at Johns Hopkins for the coming school year, which will enable him to complete his work for the Ph.D. degree. He has accepted this opening and will be away on leave of absence.

"A year ago the Commerce School reported the loss from its staff of Dr. John Cover, who had accepted a position in Pittsburg University. Dr. Cover's place was filled by the appointment of Mr. Ralph C. Limber and the work of the Business Research Bureau has been going forward in a very satisfactory manner.

"Few changes in the teaching staff will be made for the coming year. The Executive Committee has made provision for the employment of two additional assistant professors in the College of Liberal Arts, one in the Department of Education and the other one to divide his time between the Departments of Economics and Sociology. These men have not yet been selected. Their appointment will do much to increase the efficiency of the work of these departments.

"The list of nominations for the faculties of the various schools as approved by the Executive Committee will be found following the reports from the Deans of the different schools.

"Our faculty members have been encouraged to do as much research as possible. It is difficult for them to find time for this work in addition to the heavy teaching load which they are forced to carry. Very creditable work of this kind is reported from certain departments, namely: Anthropology, Education, Chemistry, Physics and Psychology. Fifteen articles, involving research work by members of our faculty, have appeared in different technical journals during the year.

"The research work in Chemistry under the direction of Professor Gustavson has been considered worthy of a further grant by the National Research Council. Fifteen hundred dollars will be available for this purpose during the year. Professor Garth of the Department of Education has accumulated a great deal of valuable material on race psychology. A grant of five hundred dollars from the Social Science Research Council of New York will enable him to put this material in shape for publication as a book. Our faculty members have pretty generally attended the meetings of the National Societies in their respective fields and a number of them are serving as officers or committee members of such societies."

THE CAMPUS BEAUTIFUL

As you know, a permanent plan for the expansion and development for the campus has been submitted to the Board of Trustees. This plan conceives of the site of the University as a center of beauty and art in the larger scheme for the evolution of Denver as THE CITY BEAUTIFUL OF THE ENTIRE WEST. Our campus, looking as it does from a beautiful elevation into the heart of the great Rockies, lends itself peculiarly to the general plan of beautification and development of the city. Its natural beauty and planned artistry ought continually to inspire students, alumni, citizens and visitors to a love of the good and the beautiful and to higher ideals of life and service.

A campus of one hundred acres, equipped with thoughtfully and artistically designed structures, supplied with modern educational facilities and adorned in simple but alluring style of Collegiate Gothic, should challenge the educational and spiritual idealism of Colorado to make use of this institution for its broadest and noblest purposes. A full realization of such a goal is not to be attained in a brief space of time and by a few simple acts. It is a problem for careful and wise leadership through a series of years. However, it is not necessary that an ideal of beauty for the campus should be neglected during the period of development. Even though buildings are being altered and landscape changes made, it is possible, I believe, to keep the campus site of our University beautiful and inspiring.

Since July first, through the generosity of Mr. John Evans, Chairman of the Board of Trustees, and Mr. J. H. Causey, funds have been supplied enabling the University to obtain the services of Mr. I. J. McCrary, landscape architect, and Mr. Charles F. Stone, an expert gardening supervisor, beginning September first. In addition, Mr. Causey has given the University for installation on the campus as a part of the development of the year an ornamental gate for the campus entrance, a peak-finding tablet for one of the quadrangles, and an ornamental ink fountain.

EXTRA-CURRICULAR EDUCATION

One of the most pressing problems of present-day university administration is the control of the factors which shape student life outside the classroom. The influence of our complex and hectic modern civilization upon the student frequently nullifies and reverses much of the work of education. No university program can ignore the responsibility for meeting this problem and hope to do its full duty towards students. Administrative means ought to be established to give to all who deal with the student a more complete knowledge of the effects of his environment upon his life and program in school, and of his reactions to university contacts and activities. Only by means of such knowledge can the university hope to give the student effective guidance and to assist him in making profitable, educative use of his environment. For this purpose a dormitory system becomes almost as much of a necessity as classrooms and laboratories.

The University of Denver has moved to meet this problem. The trustees have recently taken action to develop a large section of the campus into a series of dormitory and fraternity quadrangles. The general campus plan presented by Mr. Charles Z. Klauder includes provision for these.

Upon these quadrangles will be located men's dormitories and fraternity houses. The dormitories will be erected by the University. The fraternity

houses will lease from the University their sites and with the assistance of the University erect their chapter houses thereon, repaying in the form of rent the University in toto the amount of the loan given as assistance. The architecture of these buildings will be made to harmonize with the general plan of the campus as exemplified by the Margery Reed Mayo Memorial Hall.

Two fraternities have already accepted leases with the University and construction of these first units will begin immediately. The University hopes to add a dormitory for non-fraternity men upon this same addition to the University campus in the very near future.

As this plan evolves it should afford a complete dormitory system for the men of the University. Students living in the fraternity dormitories as well as in the non-fraternity dormitories become an integral part of the life of the University and are subject to the government and regulations which constitute the fundamental plan of the government of the student body. The University will seek to use a wholesome development of student body life as one of its educative agencies in the building of character and good citizenship. A first need of the University in the near future is funds to finance such non-fraternity dormitories as I have mentioned and to develop the same type of campus for University women.

IMMEDIATE NEEDS

In carrying out the program for campus development and control of factors most influencing student body life, modern equipment and facilities are the great need. A much longer statement than I am permitted would hardly suffice to list and discuss all the needs of the University. I mention a very few of the most urgent and imperative—urgent and imperative in view of the special issues mentioned above and the responsibility of the University in meeting them.

1. A non-fraternity dormitory for men.
2. A woman's building for Physical Education.
3. A new library building and enlargement of the library.
4. An adequate health department and infirmary.
5. Endowment for a chair in the Department of Fine Arts.
6. Endowment for a chair in the Department of Dramatics and Public Speaking.

A JOINT RESPONSIBILITY

The future of America is a problem of educating American youth. To administer an institution of higher education is a grave responsibility. Those who do so must hold themselves to answer largely for a policy for the conservation of spiritual values, for a creative impulse in each life, for inspiration towards lives of contributive service, for breadth of culture and for scientific and technical proficiency, of a large group of potential leaders of those forces that are to make civilization in the next generation. The faculty, the trustees and the executives of the University of Denver accept this challenge with an earnest hope and fervent prayer that they may administer to these ends wisely and well.

But the challenge is not to us alone. There is an unescapable responsibility upon each member of this conference. Since the days when Dr. John Evans as an appointed minister of Abraham Lincoln led in the founding of this University the sponsorship for its success has rested upon the Methodist Episcopal leaders of this state. Each one of you today has upon you the unction and urge of that sponsorship. If you tell the story of the University as a principal agency in the education of Colorado's youth as effectively and completely as it ought to be told in each pulpit and pastorate in this state; if you relate its history and achievements and emphasize its contributions both to the spiritual and material prosperity of Colorado as its splendid record merits, you will be accepting the responsibility that is naturally and traditionally yours. You will also be constructively building the institution through the fine type of young leaders that will seek tuition within the University's portals and ask its guidance and leadership. Moreover, you will be creating a public opinion upon which support for such agencies in our American life alone can rest. It is not for me to tell you what your duty is. It is for me merely to recount a few salient facts and again present a situation to refresh in your minds what you already know and accept.

As a new administration begins its work in this institution I am constrained to say to you that the leaders within the institution shall depend with more hopeful reliance than ever upon what you and your clientele can do for Colorado's youth through this, your instrument of higher education.

Respectfully,

F. M. HUNTER, Chancellor.

REPORT OF THE PRESIDENT OF ILIFF SCHOOL OF THEOLOGY

To the Members of the Colorado Annual Conference

GREETINGS:

The outline of studies in the catalogue of March, 1928, a copy of which was mailed to each member of the Conference, will reveal the following facts and tendencies: (1) Larger opportunity for the student to direct his studies (always under faculty supervision) by the offering of more elective

work than formerly. (2) Greater emphasis than formerly upon studies intended to furnish skill and practical ability. (3) Clearer defining of the objectives of the School with schedules of studies set up for the purpose of accomplishing each of the three major objectives. See pages 17, 43, 44 and 45. (4) The inclusion of an orientation course as described on page 29 which serves the purpose of helping the student to make a better adjustment in passing from the college to the Graduate School of Theology. (5) The "Major" system of giving academic units of work with a term not over eleven weeks long, enabling both teacher and student to concentrate upon a few studies for a shorter time, e.g. instead of having a student take, say 8 two-hour courses, or 4 three-hour courses and 2 two-hour courses, scattering his efforts over 8 or 6 courses, respectively, the major system means 4 four-hour courses and the attending better mastery through less scattering of effort.

Enrollment

The enrollment for the year is found on pages 46, 47, 48 and 49 of this year's issue. The following colleges, Universities and Theological Schools are represented by graduates: University of Denver, Simpson College, Southwestern College, Kansas Wesleyan University, Baker University, Western University, Boston University School of Theology, Taylor University, Nebraska Wesleyan University, Missouri State Teachers College, McPherson College, Wartburg Seminary, Lawrence College, Northwestern University, John Fletcher College, Morningside College, Lincoln University, Colorado Teachers College, Yanktown College, McCormick Theological Seminary, Langston University, Oklahoma City College, Asbury College, Gooding College, Iowa Wesleyan College, Jamestown College, McMurray College, Drew Theological Seminary, Cotner College, Coe College, West Virginia College, Colorado College and Bethel College, 33 in all.

Students taking credit work number 70. Those taking audit work number 64. Of the 70 taking credit work, 37 are regulars, 29 are specials and 4 are taking the Master's degree. Of the 70, 44 are college graduates. Of the Specials, 8 are graduates of College and only 5 have had no college work at all. The total enrollment, including regulars, Masters, Specials and auditors is 134.

Iliff begins the year with certain new and commanding features in her program. (1) There will be no transfer of credit from college to apply on a degree in Theology. (2) Iliff's program of instruction calls for 44 weeks of school per year (instead of 33) or four quarters of eleven weeks each. (3) The Th.D. degree will be given to students who can meet the requirements and who take one year of work beyond the B.D. (4) No undergraduate work for which academic credit is given will be done in the School. A student studying for credit must come with a bachelor's degree from an accredited college or university.

The General Conference at its last session gave a mandate to the Church ordering "adequate support" for our Theological Schools. This makes theological education a claim preferred over every other form of education and puts the claim of the work of training ministers at least on a par with that of Home and Foreign Missions.

This does not mean that the Church general is to provide endowments and scholarships. The School which is aggressive in building endowments and getting subsidies to help young men support themselves while studying, will have a larger claim for "adequate support" than the School which neglects these two important matters. Iliff is thinking in terms of larger endowment and an adequate number of scholarships. The latter will increase the enrollment and enable the school with a given overhead to graduate a larger number of trained leaders.

I recommend that the Annual Conference order a minimum assessment upon each charge for the Conference year 1928-29, of one and one-half per cent of the pastor's cash salary, to be used for current expense or scholarship aid as each charge shall determine. Pastoral charges paying a minimum of \$50.00 during the Conference year for scholarship aid will be listed in the Annual catalogue.

Sincerely yours,

ELMER GUY CUTSHALL, *President.*

REPORT OF COMMITTEE ON RELIGIOUS EDUCATION IN THE LOCAL CHURCH

We, the Committee on Religious Education in the Local Church present the following recommendations for your consideration and approval:

1. That the recommendation brought by Dr. Lace regarding the enrollment and statistics of our Church Schools be adopted. (See following report.)
2. That a Standard Teacher Training School be held at Pine Crest this Conference year.
3. That every charge observe Rally Day and take an offering, which shall be sent to the Board of Education separate from any other World Service offerings, in order that our Conference may receive credit toward the expense of our Religious Education program.
4. That inasmuch as the Epworth League and Church School depart-

ments have been united and put under one division of the Board of Education, that Dr. H. M. Pingree be the official representative of the Epworth League as well as of the Church School in the Colorado Conference.

5. That we recognize the importance of the Colorado Council of Religious Education and pledge it our support.

6. We ask that the budget necessary for the expenses in field work and administration be assumed by the Conference, and that this amount be raised by making an apportionment to each Church School of five cents (5c) per member to be based upon the average Church School attendance during the Conference year now closing.

7. That one hour be given to a presentation of the Religious Education program at the next session of this Conference, and that it be made the order of the day for Thursday morning at 10:30 o'clock.

8. We commend without reservation the excellent work done by Dr. H. M. Pingree and pledge him our hearty co-operation in the coming year.

9. We present the following names to compose the committee on Religious Education in the Local Church for the Conference year 1928-1929:

REPORT OF THE AREA COMMITTEE ON CHURCH SCHOOLS

Principles

There is everywhere manifest an evident lack of accuracy and uniformity in our report of Church School statistics. This is due, first, to the inadequate and incomplete records ordinarily kept in our Church Schools, and, second, to our difference in plans and methods for keeping our records of enrollment and attendance.

A uniform method of Church School enrollment is essential to give meaning and reliability to our Church School statistics and as a compendium of valuable information for the pastor in his calling and evangelistic work.

That these desired ends may be attained we submit to the Conferences and Missions of the area the following:

Recommendations

1. That more attention be given in the Church Schools to the proper enrollment of the pupils entering the same.
2. That the pastors in making up their annual Conference reports on the Church Schools more carefully study and utilize the enrollment records in making out the same.
3. For the accomplishment of these ends we hold that the following things are necessary:
 - a. That once a person is enrolled in a Church School his name should be retained on the roll irrespective of absence or indifference till he enrolls in some other school, removes from the community or dies. Repeated absence may be more of a reason for his retention on the roll than constant attendance.
 - b. That each School elect a competent enrollment secretary—in the smaller School it might be the recording secretary or the Church School superintendent—whose duties should be:
 - (1) To carefully enroll and assign to the proper department and class every new pupil entering the school.
 - (2) To prepare and keep up to date an indexed file of every member of the Church School, listing on each card the name of pupil, address, name of parents, age, department, class, teacher, Church membership, date converted or united with Church and other miscellaneous information.
 - (3) To place in the hands of the pastor each week a duplicate card containing all of the above information on each new enrollment taken the previous Sunday.
 - (4) To make a check monthly on the attendance of each pupil and report long or continued absences to the pastor and the Church School Board.

We recommend that copy of this report be placed in the hands of the Conference or Mission Church School Committees and that the district superintendents be charged with the inauguration of this plan upon their respective districts.

Recommendations and Requests

For the University of Denver:

We ask that the Conference request, through its President, Bishop Mead, and its Secretary, R. S. Dum, and Area Representative H. G. Goodsell, that the Board of Education of the Methodist Episcopal Church grant an appropriation of \$10,000 annually to the University of Denver.

For the Iliff School of Theology:

We re-affirm our confidence in the willingness and ability of the Board of Education to present Iliff's claim for "adequate support" to the World Service Commission.

We recommend that the Annual Conference order a minimum assessment upon each charge for the Conference year 1928-1929 of $1\frac{1}{2}\%$ of the pastor's cash salary, same to be used for current expense or scholarship aid as each charge may determine. Pastoral charges paying \$50 during the Conference year for scholarship aid will be listed in the annual catalogue.

For the Wesley Foundation:

We ask an appropriation of ten cents (10c) per adult member for the Wesley Foundation.

We nominate H. G. Goodsell and Wilson G. Cole as members of the Executive Committee of the Trustees of Denver University.

Respectfully submitted,

W. T. SCOTT, *Chairman*,
R. R. ADAMS, *Secretary*.

REPORT OF THE SOCIAL SERVICE COMMISSION

There are many subjects which fall properly within the scope of a commission on social service. In its broadest sense the term "social service" might include all human relations. Practically, however, it has been used in the church to designate a narrower field, but one within which the church has set forth ideals and standards which are of the very essence of her faith. It is with a few of these special topics that this report is concerned.

PEACE AND WAR

In view of the signing of the Kelly-Briand Treaty, we urge upon our churches the development of public sentiment favoring the ratification of the treaty by the United States Senate. Whatever results may follow from this treaty we welcome it as giving authoritative national sanction to all efforts to eliminate the causes of wars. We regard this as supporting all movements toward disarmament and toward full recognition of the sovereignty of our Latin-American neighbors. Further, we would underscore the definite statements of the last General Conference that "war is not inevitable," that "the agencies for the church shall not be used in preparation for war," and that "we are opposed to all military training in high schools, and to all compulsory military training in colleges and universities."

INDUSTRY AND THE SOCIAL ORDER

The time has come for a clear recognition that the church is not primarily concerned to ameliorate a competitive order but to create an order in harmony with the teachings of Jesus touching the principles of trusteeship and brotherhood. The present system, with its inevitable concentration of wealth and power in the hands of a few, has failed to produce a society in which opportunities for development are given to all on equal terms. As early as the General Conference of 1916, Methodists declared, "The church must therefore clearly teach the principle of the fullest possible co-operative control and ownership of industry and of the natural resources upon which industry depends." And the last General Conference re-adopted the statement of 1924 declaring that, "We recognize the ethical divergence between property for use and property for power. We maintain the soundness of the principle that a man is entitled only to what he has in some real sense earned. Wealth accruing to the holders through monopoly values or special privileges, or through large opportunities for costless saving, is not earned, and wealth created by society should be devoted to the development of all the people in ways to be determined by the people themselves."

In the field of industry the principles of Christian trusteeship need emphasis. Universal brotherhood includes a brotherhood of rights, duties, responsibilities, and a co-operation leading to the Christianization of all industrial relations.

We commend the steps already taken in Colorado to put into effect the principle of collective bargaining and to humanize the relations between employer and employee in the coal industry; and we urge upon all coal operators in the state a careful consideration of this example as a means for the elimination of strikes.

We call upon the legislature at its next session to pass the amendments to the workman's compensation law as now sponsored by the Colorado Federation of Labor; and also to ratify the proposed anti-child labor amendment to the federal constitution.

CONFERENCES CENTERS

As agencies especially engaged in the promotion of the social ideals taught by the church we commend Epworth Church and its Goodwill Industries; the Goodwill Industries at Grand Junction; the Spanish work both in Denver and in the sugar beet districts of the state; the Italian work at Denver and Pueblo; and Grace Church, Denver, as a prophetic teacher of our social doctrines.

A CONFERENCE CHAPTER OF THE FEDERATION

During the years that this commission has been in existence, it has been elected each year upon nominations presented by itself, and this plan continues this year. But it is felt that these nominations should come from a larger group, namely, from all members of the Conference seriously interested in the work the commission represents. Such interest would probably be best indicated by membership in the Methodist Federation for Social Service. On this basis the Conference is asked to direct: (1) that there be formed a Colorado Conference Chapter of the Methodist Federation for Social Service, to consist of all who are paid-up members of the Federation; and (2) that, beginning with the Conference session of 1929, there shall be an annual meeting during the session of the annual Conference, at which, along with any other action that may be desirable, nominations shall be made for the commission for the ensuing year, the Conference to elect the commission as heretofore.

The following are nominated (in alphabetical order) as members of the commission for the ensuing year: O. W. Auman, E. L. Chiesa, Wilson G. Cole, H. G. Goodsell, I. O. Hall, A. A. Heist, G. M. Henderson, J. Clyde Keegan, F. T. Krueger, L. B. Longacre, S. W. Marble, W. A. McCleneghan, E. M. Wahlberg, W. C. Wasser.

Respectfully submitted,
L. B. LONGACRE, *Chairman*,
A. A. HEIST, *Secretary*.

REPORT OF COMMITTEE ON STATE OF THE CHURCH

In recognition of the fact that all the vital issues have been covered in the other reports to the Annual Conference, we will not add any other resolutions, but simply caution that during the advocacy of our causes fraught with the dangers of partisanship we urge they be presented in modesty and with care, that the bonds of brotherhood and fraternity be not trespassed to the injury of the Kingdom.

W. C. WASSER, *Chairman*,
E. O. HARBOUR,
PAUL A. SHIELDS, *Secretary*.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE

God has given us three things for the preservation of the moral and spiritual qualities of the human race. These are the Bible, the Church and the Christian Sabbath.

The observance of the Sabbath brings physical, economic and spiritual benefits which bear fruit in higher moral and religious qualities. The proper attitude toward this day is essential to the development of these higher attributes of character and life.

Therefore, Be It Resolved, That we as ministers of the Colorado Conference use every legitimate means to prevent all forms of Sabbath desecration, and that we favor not only proper restrictions upon certain corporations and things which have no proper place in this sacred and holy day, but also the placing of civil safeguards about this institution which has done so much for the security and perpetuity of the nation.

And Be It Further Resolved, That we set apart the first Sunday in November for special sermons on Sabbath observance, bringing to the attention of our people the need of maintaining and safeguarding the Christian Sabbath as a day of rest and spiritual renewal.

REPORT OF COMMITTEE ON EPWORTH LEAGUE

1. We note with enthusiasm the growing influence and effectiveness of our three Colorado Epworth League Institutes, and we bespeak for their managers and directors the heartiest co-operation of every pastor, charge and Epworth League Chapter in the Conference. We cannot too strongly urge this, as upon the development of the Epworth League Institute depends the serviceableness of our Epworth League movement.

2. We recommend that the Institute Commissions attempt to co-operate with each other, in the setting of Institute dates, so as to make use at decreased expense of outside leadership and talent.

3. We rejoice in the legislation of General Conference which places the Epworth League work, the work of our church, under the same direction as the Sunday School, under the head of Religious Education, and we welcome most heartily the resultant Conference supervision of our Epworth League work by Secretary H. M. Pingree, and pledge to him our readiest response and cordial following in his welcome and adequate leadership.

4. We recommend that this Conference authorize its next Epworth League Committee to organize a state-wide Epworth League to promote the district organizations and the increased efficiency of local chapters and to fulfill the best possibilities of our Institutes under Secretary Pingree's supervision. The Conference Epworth League organization should be formed with such division of officary and mass-meeting locations as to provide for the peculiar needs of our Western Slope chapters.

Respectfully submitted,

REPORT OF WOMEN'S FOREIGN MISSIONARY SOCIETY

In the year 1929 the Woman's Foreign Missionary Society of the Methodist Episcopal Church will celebrate their sixtieth anniversary. Throughout all these years the life of the church has been quickened by a real inspiration imparted through the devotion and service of this band of consecrated women.

Through their efforts the Kingdom of God has been extended to their sisters in far-off lands, by means of a threefold program of evangelism, education and healing. In promoting this program during the last four years a deeper feeling of fellowship was sought for by an intense study of the essentially missionary character of Christianity and a world comradeship of prayer.

Among the goals set for the past year were: (1) An increase in membership through the auxiliary forum method; (2) a better organization, using the district as a unit; (3) larger contributions, to be secured by the use of the regular organization methods, with special emphasis upon big gifts, annuities and wills; the "Sixtieth Anniversary Fund" is also to be stressed; (4) one hundred new missionaries by 1929.

As a result of the carrying out of this program substantial increases along all lines are reported.

Therefore, Be It Resolved, That this Annual Conference show their appreciation of this organization by co-operating with them in our public services and otherwise as we may have opportunity.

J. P. LANDON,
B. R. LAWTON, *Secretary*.

REPORT OF AMERICAN BIBLE SOCIETY

Our debt to this society grows with the years. In this time the Bible or some part of it has been translated into more than eight hundred languages and dialects, yet in Africa alone there are over eight hundred languages and dialects, so that there is still a great work to be done.

The scope of this task is tremendous. If stopped for a day 25,000 people would fail to receive the Bible, and if continued for a year 9,000,000 would be denied the privilege of God's word.

Consider for a moment the record of 1927. A total of 10,034,797 copies of the Scriptures were distributed all over the world—in China alone 3,109,692.

As a Conference we count it an honor to have a part in this great world-wide service. And we continue our interest and pledge our support.

REPORT OF COMMITTEE ON BETH EL HOSPITAL

Your Hospital Committee has kept closely in touch with the work of the hospital during this year and their feeling is that Beth-El is continually becoming a greater asset to Colorado Conference and the work that it is doing is a great help to the cause of Methodism and it should be maintained at all cost, and we as pastors should keep closely in touch with what the hospital is doing for us so we can the better serve it.

We wish to commend Beth-El for the Christ-like service it has been rendering to the unfortunate sick during this year. The free service has amounted to \$12,740.00 during the conference year just closing—\$3,280.00 of which has been rendered to pastors and their families. We should stop and think seriously about this service the hospital is rendering and whether the service we are rendering to the hospital is adequate.

We have come to the place where we must forge ahead in our hospital work and we make the following recommendations:

1. In view of the fact that we are in great need of additional operating room space, we feel that an effort should be made to build an addition to the present operating suite. The cost would be about \$30,000.00. When we stop to consider that over 1,700 operations are performed per year in these operating rooms and that human life is at stake that number of times, nothing should be left undone that we can do to make the conditions

under which the nurses and doctors work the most favorable. Surely someone will be found who will help to build this addition.

2. That Sunday, November 25, 1928 be set aside as White Cross Sunday throughout Colorado Conference and that we, as pastors, pledge ourselves to put forth our earnest endeavor to enroll our membership and congregation 100% in this philanthropic organization which supports the free service of Beth-El Hospital. There is yet due the Board of Hospitals and Homes under the agreement entered into between the Board and Colorado Conference two years ago the sum of \$19,800 of which \$5,333.34 must be paid this fall. This is in addition to the amount allowed for free service at the hospital, and we recommend that \$12,000 be allowed for this during the coming conference year, and this is setting the mark low, we all realize, when we consider what other Methodist Hospitals are doing. Money raised through the White Cross in excess of the two amounts above to be applied on the balance due the Board of Hospitals and Homes under the agreement referred to above.

3. Our Nurse Training School which is recognized as one of the best in the entire middle West is in need of larger quarters. It is unfortunate that some of our nurses must be housed outside of the grounds in homes and in rented houses, so we should look toward securing the money as soon as possible with which to build an addition to the present Nurses' Home. We approve the plans which will accommodate these girls who do not now have the advantage of living in the Home proper, and hope that means will be soon found with which to build.

4. The Denver Woman's Auxiliary which helps support Beth-El Hospital has grown into a real organization and we feel that if these auxiliaries were extended to every church in Colorado Conference it would be a great help not only to the hospital, but to the churches themselves, for it would enlist the help of the people who are not now active in our work and we recommend to the management of Beth-El that as far as possible these organizations be set up during the next year.

5. We endorse the action of the Beth-El Board in its decision to put a financial man in the field to present its work to our people and to gather funds for the extension of our Hospital work and pledge such man our fullest support.

Respectfully submitted,

G. M. HENDERSON, *Chairman.*

REPORT OF THE COMMITTEE ON RESOLUTIONS

BE IT RESOLVED THAT:

1. We rejoice in the continued leadership of Bishop Charles L. Mead. Years pass but there is no change in his ever ready sympathy, his helpfulness and his brotherliness. We ask God's blessing upon him and assure him of our love and loyalty.
2. We express our deep appreciation of First Church and its genial Pastor. They have met our every need looking to efficiency and comfort.
3. We are delighted with the beauty and hospitality of Greeley. Its homes, churches, business houses and hotels have given us every consideration. Surely, the Greeley of today has met every hope and expectation of its illustrious founder. How his spirit must have rejoiced in the denunciation of a wet Democratic candidate for President and the endorsement of a dry Republican candidate.
4. We have been greatly inspired and helped by the splendid program. Who will forget the unusually fine addresses of Bishop Mead, the prophetic utterances of President Cutshall and the sound doctrine of Dr. Bugbee. We thank the World Service Commission for the splendid representation of the Boards of our church.
5. We delight in the action relative to our participation in the Pension Fund. The increasing percentage in our giving is but another indication of that beautiful spirit of brotherhood which is the glory of our Methodist ministry.
6. We commend the Central Christian Advocate and its editor. Both sparkle with the spontaneity of youth. Let us place this paper in every possible home.
7. We recognize in Iliff a great divine opportunity. Dr. Cutshall and the splendid faculty merit our devoted loyalty. Let our churches adopt the "Scholarship Plan" and thus create for themselves a larger ministry,

8. We dedicate ourselves anew to the great tasks of our ministry. Remembering that men need our Christ, that every moral issue has one advocacy, and that the world is our parish.

9. We express our appreciation of the daily press of Greeley.

IRA G. McCORMACK, *Chairman*.

RESOLUTION ON EQUALIZATION OF PASTORS' SALARIES

We note with appreciation the growing interest among the ministers of our church in the problem of the present inequity in salaries. To find a way toward a more brotherly sharing of the rewards and burdens of the ministry, our General Conference has appointed a commission to study with similar committees from Annual Conferences, our salary system. We record our eagerness to co-operate with this program.

However, before any connectional program of equalization, we suggest certain immediate steps in the direction of a fairer burden sharing in whatever the members of the conference are apportioned. For example: We commend the plan of the Board of Pensions and Relief of our Conference to place their askings from the pastors on a graduated percentage basis, expecting from the small salaried minister a lower percentage contribution than from one with a larger salary. We further suggest that the plan of equalizing the fares paid to reach the seat of the Conference, be changed to a plan which will place a larger share on the pastors with the larger salaries. In furtherance of a more brotherly helpfulness to the younger ministers, we recommend that the Methodist Book Concern create a fund by appeal to ministers receiving \$3,000 or more salary to be used in supplying needed books to members in the course of study.

We record our readiness to take any action that will more truly realize the bond of brotherhood of the Methodist ministry, feeling that in bearing one another's burdens, we are not only fulfilling the law of Christ, but are making the message of the church and the preacher more compelling and effective.

RESOLUTION ON THE KELLOGG-BRIAND PEACE PACT

Believing that the signing of the Multi-lateral Treaty in Paris last month by the representatives of fourteen of the great nations of the earth is an epoch making step in the direction of ultimate World Peace, and believing that every movement in this direction should be supported by Christian men and women everywhere, we herewith propose that the Secretary of this Annual Conference be instructed to communicate with our Secretary of State at Washington, D. C., by telegram, the following message:

Honorable Frank L. Kellogg,
Secretary of State,
Washington, D. C.

The Colorado Annual Conference of the Methodist Episcopal Church, consisting of more than 200 ministers, serving 40,000 Methodists in Colorado, now in annual session at Greeley, Colorado, recognizing the inestimable value of your great service to humanity in the initiation of, and the successful adoption of the Kellogg Multi-lateral agreement, looking toward the outlawry of war, wishes to assure you of its intense appreciation of your efforts and pledges its whole-hearted support of this great initiative movement in the direction of World Peace.

I. O. HALL,
I. L. MORGAN,

PLAN OF PROCEDURE FOR ESTABLISHING A RESERVE PENSION FUND IN THE COLORADO ANNUAL CONFERENCE

Brethren of the Conference:

In obedience to your action of yesterday requesting the Executive Committee of the Board of Pensions and Relief to bring to you at this session of the Conference a working plan for establishing a Reserve Pension Fund for the Conference, your Committee now offers the following:

1. We reaffirm our action of yesterday making the building of this fund the major financial project of the Conference for the coming quadrennium.

2. We suggest as a goal to be reached the sum of \$500,000.00, of which amount the Preachers' Aid Society now has in its hands, good interest-bearing securities amounting to \$150,000 held in trust to the credit of certain restricted groups within the Conference but rapidly moving in the direction of a final merging with the Conference Fund.

3. Of the balance amounting to \$350,000 still to be raised, we, the members and probationers of the Colorado Annual Conference, assume as our responsibility the sum of \$50,000.00.

4. This amount of \$50,000 shall be raised by means of a voluntary self-assessment of our membership binding upon every man according to his rating in the Conference under a graduated scale of cash salaries, including missionary money but exclusive of any estimate for house rent, as follows:

Cash salary of less than \$1500.....2%
 Cash salary of \$1500 and up—increasing at rate of one-tenth of 1% for each \$300 increase in salary; this assessment to continue through a period of seven (7) years, but to be fixed annually by each member according to the salary he is receiving that year.

5. We approve the general plan for the raising of our fund through the sale of trust certificates and suggest that this plan be referred to a Conference Commission composed of representatives from the Board of Pensions and Relief, the Board of Managers, the Board of Stewards and the Cabinet for further study and examination with a view to its final adoption as a means of amortizing the obligations created by the adoption of this report.

6. That before final selection of the insurance or trust companies to be used in this plan, full examination is to be made by the Commission of any proposals by other companies that may be ready to furnish them, and from actuaries and accountants in order that the best possible selections may be made.

7. If and when this method of amortization is adopted as the working plan of our Conference, we suggest that it become optional with the members of the Conference whether or not the amounts paid by them from year to year be converted into trust certificates or be left to their credit in the hands of the treasurer of the fund as a straight deposit toward the commutation of his claim according to service years for which the Conference is responsible at the time of retirement.

8. If and when the above plan or any other plan is adopted by final action of the Committee after a referendum to the members of the Conference and laymen through district groups, we here and now pledge our hearty support and co-operation in the carrying out of the plans so far as it concerns our laymen and the churches which we serve.

BOARD OF PENSIONS AND RELIEF,
 E. N. EDGERTON, *Secretary*.

REPORT OF SECRETARY OF THE BOARD OF STEWARDS ANNUAL CONFERENCE, SEPTEMBER 10, 1928

Brethren:

The Board of Stewards presents for your consideration and acceptance the following report:

1. On balancing the claims against our funds on the basis of annuity years brought to us by five new men passing into the retired list and one former retired member restored to the list, it is found that our claims for the coming year are for 2,067 years, as compared to 2,061 years last year—an increase of 6 years.

2. Dr. F. L. Geyer and Dr. Kingsley are designated by our Board to represent them on the new Commission on Pensions and Relief ordered by your action.

3. Under the action of the General Conference reducing the allowance of retired men to 1 per cent of the average salary of effective men and District Superintendents, the legal annuity rate for our Conference was found to be \$24.00 per year of effective service. On motion this was fixed as the legal rate for the ensuing quadrennium.

4. It is the recommendation of this Board that the amount of \$45,760.00, which is the same as last year, be fixed as the basis of apportionments to the Conference for the coming Conference year. It is our judgment that the small amount in excess of this which would be included if the apportionments were made on the basis of the legal amount for the Conference would be more than covered by the amounts which would come to our Conference from the charges served by Colorado men in the New Mexico Mission which will clear through our Conference.

5. We recommend that the sum of \$750.00, plus whatever may be realized from the offering at the love feast of Sunday morning, be the amount set aside this year for necessitous claims.

6. We recommend that the following necessitous claims be allowed: Mrs. Bittner, \$100.00; Mrs. E. P. Henry, \$64.00; Mrs. A. L. John, \$64.00.

We offer for your adoption the following resolution:

RESOLUTION

1. We are now occupying a central location, geographically, to the Mission Conferences of the Denver area. There are nine charges of the Utah Mission whose funds clear through the Colorado Conference and six charges in the New Mexico Mission, now just in process of organization.

2. To meet the growing obligation of our Conference involved in carrying these men on our Conference roll, we now make the following requests:

(a) Of the men in the Mission Conferences we request that, as rapidly

as possible, the assessments on the churches served by them be fixed at seven per cent (7%) of the pastor's salary.

(b) We request that the General Board of Pensions and Relief in Chicago to grant to the Colorado Conference as generous a special appropriation as possible, based upon the unprecedented need which has now arisen in carrying the large number of men whose claims we will be responsible for at the close of the coming session of the New Mexico Conference.

CONFERENCE BOARD OF STEWARDS.

ANNUAL REPORT OF EXECUTIVE SECRETARY COLORADO CONFERENCE BOARD OF PENSIONS AND RELIEF, SEPTEMBER, 1928

During the year the work of this Board has gone forward with encouraging results. As already stated in the report of the Preachers' Aid Society, there has been a net increase in our Conference fund of \$9,945.88, but in addition to that some small annuities have been paid, amounting to \$236.11, and \$500.00 out of the collections made by the Executive Secretary was used to replace that amount of depreciation in the value of the Seckner Estate in Boulder, which was estimated one year ago at \$3,000.00 and is now entered in our list of assets at \$2,500.00. This \$500.00, therefore, would not show as increase.

Early in the year Mrs. Mary Josephine Whitman of Canon City deeded to our Board two houses and ten lots having an estimated value of \$3,500.00, but it must be borne in mind that these estimates are always uncertain, and this may also need a downward revision as time passes.

The total in the Conference fund is now \$36,949.10—\$30,949.10 in productive endowment. The balance is real estate, all of which is rented and is not a source of expense to us. These figures are as of date August 31. I am making no attempt to include the considerable sums paid into my hands during the Conference session, which will, perforce, go into the statement of business for the new year. I wish, however, to record my hearty appreciation of the increasing co-operation of the members of the Conference in getting this business out of the way before coming to Conference—a much larger percentage of them having done so this year than ever before.

No board, commission or standing committee of the Conference is more faithful or does more hard work in the interval between Conferences than your Board of Pensions and Relief. They have held four regular meetings this year, all of which were well attended. The last was a joint meeting with the Board of Managers of the Preachers' Aid Society, the Board of Stewards and the Cabinet of the Conference.

With these successive meetings and the passing into history of the recent General Conference stressing the new pension plan and appointing a Commission with power to put the new plan into operation as the Conferences become ready for it, the conviction has been growing that in the Colorado Conference, in common with practically all the great Conferences of the church, now is the time to act; and in the joint session of the Boards and Cabinet the following resolution was unanimously passed:

WHEREAS, The General Conference of our church is placing new emphasis upon the general cause of building a reserve pension fund for the retired and to-be-retired men, women and minor children of Methodism; and

WHEREAS, The interests of the Conference claimants permanent fund of the Colorado Conference have been obscured and left in abeyance throughout the history of the Conference; therefore be it

RESOLVED:

1. That the Colorado Conference make its reserve pension fund the major project of the Conference during the present quadrennium; and that
2. We set the sum of \$350,000.00 new assets as the goal to be reached within that time; and that
3. An appeal be made to the coming session of the Colorado Conference for subscriptions extending through a five-year period amounting to at least \$50,000.00; and that
4. We endeavor to secure the services of a Conference member in addition to the present Executive Secretary who will devote all his time to soliciting contributions to the fund; and that
5. A special committee of five be created, the duty of which shall be to head up the intensive cultivation of the field with the immediate duty of working out a plan to present to the coming session of the Annual Conference, looking toward the securing of the necessary funds within the shortest possible time.

In harmony with this resolution the Board has come before the Conference with a detailed plan to present covering the whole subject of the building of an adequate "Reserve Pension Fund" within the coming quadrennium.

Respectfully submitted,

E. N. EDGERTON, *Executive Secretary.*

ANNUAL REPORT OF THE EXECUTIVE SECRETARY OF THE PREACHERS' AID SOCIETY, SEPTEMBER 6, 1928

Bishop Mead and Brethren:

The stroke of the clock which brings to its close the Conference year of 1927-28 also ends another prosperous year in the conduct of the affairs of the Preachers' Aid Society. Marked progress has been made in all desirable directions, so that for the first time in the history of the Society we can say that we now have in the treasury more than \$150,000.00 in productive endowment.

During the year the Jubilee Fund has paid its beneficiaries a total of \$2,149.85, which is \$147.55 more than it paid them last year, and yet we close the year with an excess of \$735.57 in that fund, which will more than meet the quarterly payment due September 10. In order to prevent the further growth of this surplus the Board has voted an increase of 20 cents per quarter for each year of membership in the fund, which will make a total of \$1.40 per quarter for each year of membership, or a total of \$5.60 per year of membership in that fund. When it is recalled that the legal limit of what may be paid these beneficiaries is \$10.00 per year of membership, one would suppose that Conference members would "fall over each other" to get as large contributions as possible into our rapidly growing "Conference Fund" in order to lay the foundation for future income. I am sure that such would be the case if the significance of it were fully grasped. We are glad that to SOME it can be said, "Blessed are your eyes, for they see, and your ears, for they hear."

One year ago the total in the Patrons' Fund was \$79,686.33, still needing the finishing touch to round it out to its limit of \$80,000.00. During the year that finishing touch has been given and it added \$1,171.25 to its working capital, making a total of \$80,857.58, and showing enough excess cash in the treasury to take care of the quarterly payment to beneficiaries due September 10. Investments in this fund have paid 7% during the past year and will continue to do so during the coming year. This past year this fund has paid its beneficiaries a total of \$3,915.76, an increase of \$301.56 over the previous year. Please remember that payments to beneficiaries of this fund continue to either husband or wife so long as either of them survive. The legal limit is 12%, after which the excess goes to the "Conference Fund."

During the year the "Conference Fund" has been given the major amount of attention, as is fitting. Through the vigilance and co-operation of Dr. Kingsley, a member of the Pensions Board, and pastor at Canon City, a good woman was found who deeded to our Board two houses and ten lots having a total estimated value of \$3,500.00. A small final dividend also came from the funds of the dissolved West German Conference. The total increase in the Conference Fund for the past year is \$9,945.88, after paying all administrative expenses.

The total increase in all funds over last year is \$11,125.66. In addition to this we have paid to beneficiaries a total of \$6,301.72, which is \$667.62 more than was paid them last year. Our net income from invested funds has increased during the year almost sufficiently to pay all expense of administration, the commissions alone amounting to \$486.53. For this, great credit is due the two laymen on our investigating committee—Mr. F. E. Miller of Cameron Church and Mr. H. O. Smith of Washington Park Church. But first and foremost of all, we give thanks to the good Heavenly Father who has blessed this work of mercy and help with all its abundant increase.

RESOLUTION ON THE DEATH OF MR. JAMES R. THORPE

Word has just come of the death of James R. Thorpe at the Mayo Hospital in Rochester, Minnesota.

Mr. Thorpe was for many years an active and effective member of the Warren Memorial Church, and as a trustee and friend of both the Uni-

versity of Denver and the Iliff School of Theology, rendered to each valuable service, and his passing means a deep loss to all.

We, as a Conference, express to Mrs. Thorpe our heart-felt sympathy in her bereavement.

REPORT OF THE COMMISSION ON THE RELATION OF THE COLORADO CONFERENCE AND DENVER UNIVERSITY

At the last session of our Conference we submitted a report that was a result of a thorough investigation of our Denver University and a comparison of other Methodist Educational Institutions in the selection of trustees and executives. The report was an appreciation of the purpose, policy, the quality of leadership in administrative offices and classroom personnel. We re-affirm the conclusions of this report, and record with satisfaction the continued spirit of co-operation between our Conference and our University.

The Commission, after thorough consideration of the method of selecting trustees has no suggested change to propose. We feel that the existing agencies are adequate to express the will and good will of the Conference.

We assure the new Chancellor, Dr. F. M. Hunter, our readiness to accept the privilege and responsibility of Denver University of serving the youth and, through trained youth, the Kingdom of God.

"On motion of Rollin H. Ayres, Superintendent of the Pueblo District, it was ordered that since the Lakeview Methodist Episcopal Church located in the country midway between Swink and Cheraw in the Pueblo District of the Colorado Conference, has ceased to be used for church purposes, the Board of Trustees of the Cheraw Methodist Episcopal Church be authorized to sell said property, including land and building, and give title to the same.

And it is further ordered that the Trustees of the Colorado Annual Conference be requested to loan the proceeds from the above sale (after satisfying indebtedness to Home Board, if any) to the Methodist City Evangelization Union of the City of Pueblo for building purposes in connection with the Italian Mission of the Methodist Episcopal Church located in the City of Pueblo, and that the loan become a gift, if, according to the Discipline of 1924, paragraphs 360-362, the aforesaid church at Lakeview has not been reorganized and claimed the return of the loan for church building purposes.

VII. Memoirs

OF THE COLORADO CONFERENCE OF THE METHODIST EPISCOPAL CHURCH FOR THE CONFERENCE YEAR 1927-28

(In Chronological Order)

Dr. Cyrus A. Brooks

By E. N. EDGERTON

Dr. Cyrus A. Brooks, son of Rev. Cyrus Brooks and Mary Elenor (Davenport) Brooks, was born in Newark, Ohio, January 29, 1842. The family removed in 1857 to Minnesota and in 1861, while still in his teens, he enlisted in the 1st Minnesota Volunteer Infantry Medical Corps, which later in the war was merged with the famous 10th Minnesota. During the battle of Gettysburg he was one of the few surviving members of his company, which was almost exterminated. He was in twenty-three of the great battles of the Civil War.

In 1868 he was converted and later that year was married to Adeline Virginia Campbell, who, until the call came in 1925, was for fifty-seven years the faithful companion of all his labors. To this union three children were born, Walter, dying in infancy, Bertha, the younger daughter, who passed away in 1912, and Ella, who was called to her reward in 1927. The bonds of this home, which had always seemed peculiarly tender, were thus, one by one, severed, leaving Brother Brooks alone in his eighty-sixth year and longing to be with his loved ones. In answer to this longing, after nearly six months of wasting illness, he passed away at the Presbyterian Hospital in Denver, Colorado, on March 27, 1928. One brother, Edward C. Brooks, survives.

In July, 1872, Brother Brooks united with the Colorado Conference on trial and in 1874 was received in full and ordained deacon by Bishop Bowman. In 1876 he was ordained elder by Bishop Harris, and during the thirty-six years of his active ministry he served fifteen charges in the Colorado Conference, one in Wyoming, and was for six years, from 1888 to 1894, Presiding Elder of the Gunnison, afterwards the Salida District, the pioneer district of the Conference.

Brother Brooks was always the typical pioneer preacher, pushing out into the new and untried fields of the Conference. His first charge was Wet Mountain Valley, to which he went when there was neither church building nor membership. Until the pioneer days passed much of his work was done in such fields. His Presiding Elder, B. F. Crary, reports of him at the session of the Conference of 1873: "Wet Mountain Valley has been served by C. A. Brooks, who began with nothing and has been able to return with something." A further extract from the same report is interesting as showing the conditions under which he worked: "I have been sometimes alone, sometimes with my brethren in straits out of which God delivered us. On Thanksgiving Day I ate my dinner alone on the banks of the Huerfano, and was thankful I had any dinner. Once I slept under a wagon, twice in one, once in a granary and once in a stable, many times on the ground and many times on the floors of cabins. I have been hungry a few times and have camped out alone in the valleys and on the mountains."

He was a man of strong convictions which he did not hesitate to express in public and private. A splendid example of apostolic zeal—faithful to a fault—master of an inexhaustible fund of humor and anecdote, which he used to illustrate and illuminate his message.

He was, for several terms, Chaplain of the Colorado State Senate after his retirement from active service in 1908, and was at one time Department Commander of the Grand Army of the Republic, in which organization he was, from its beginning, an honored member.

He was buried in Crown Hill Cemetery, Denver, Colorado, Thursday, March 29, 1928. The service at the grave was in charge of the Masonic order. Dr. William Campbell Wasser, our pastor at University Park, had charge of the service and read the scripture. Dr. H. G. Goodsell, District Superintendent of the Denver District, led in prayer, and addresses were given by E. N. Edgerton, Secretary of the Preachers' Aid Society, and Dr. C. B. Wilcox, a retired member of the Colorado Conference.

Orville K. Maynard

By JOHN J. LACE

Orville K. Maynard, one of the "princely men of the heavenly kingdom," honored, one might almost say revered, among his brethren for dignity of bearing, kindly social virtues and the superb exemplification of the choicest graces of Christian character, passed into Paradise from the home of his son, the Rev. Donald M. Maynard, Miami, Florida, May 18, 1928.

He was but sixty-seven years of age; however, he had been in failing

health for almost four years, having accepted the Retired Relation at the conference of 1925 following a slight cerebral hemorrhage during a happy pastorate at Longmont, Colorado. A year later Mrs. Maynard, charming companion of forty-two years in the ministry, was translated. It was evident Dr. Maynard did not recover from this separation. After visiting friends in Iowa and the session of the Northwest Iowa Conference, in the ranks of which he had served with great honor and success and of which he was the secretary, a district superintendent, and elected to General Conference, in June, 1927, he traveled to Florida to officiate at the marriage of Donald. He intended to return for General Conference, and it was while eagerly preparing for such return and in anticipation of a happy visit to Kansas City with its renewal of many friendships, that the end came.

Orville K. Maynard was the son of J. K. L. and Myra Kempton Maynard of Waverly, Iowa, where he was born March 23, 1861. As a young man he taught school. He was Received on Trial in the Upper Iowa Annual Conference in 1883 and married Miss Metta Elizabeth More, daughter of the Rev. Thomas More of that Conference, in 1884. Their first appointment was Fairbanks, Iowa. Four sons were born of this union. One died in infancy, the other three are successful citizens, Carl Wesley, the eldest, being a physician in Pueblo, Orville K., Junior, a musician and successful teacher, and Donald, now a pastor of the Methodist Episcopal Church, South, in Miami, Florida.

To prepare for a better ministry, after marriage, Mr. Maynard attended Cornell College at Mt. Vernon, Iowa, where he was graduated in 1889, having made such a record in his studies that when later a chapter of Phi Beta Kappa was established in that institution he was accorded membership and wore the key. He also earned the degree of M.A. in the same institution, and after coming to Colorado on account of the impaired health of his wife, was granted the honorary degree of Doctor of Divinity by the University of Denver. His scholarship was efficient, practical, never pedantic; his literary taste highly discriminating. As a preacher he was characterized by thoughtful and careful preparation; as a pastor, his attractive personality made him popular; consequently he served the stronger charges of his Conferences.

In Northwest Iowa Conference, to which he went after graduation, he served Rockwell City, Brit, Emmetsburg, Grace, Sioux City, the college church of Morningside. After a term on the Algona District, he returned to Sioux City as pastor of Whitfield Church. In Colorado he served Fruita, Delta, St. Paul, Pueblo, Cameron, Denver, and Longmont. As intimated above, he was a successful district superintendent and a delegate to the General Conference of 1928.

The funeral was from St. Paul Church, Pueblo, conducted by the pastor, Rev. Leslie Logan, with addresses by two long-time friends, Rev. Frink Mathis, Evangelist of the Northwest Iowa Conference, and John J. Lacey, District Superintendent of the Colorado Conference. A large audience attended the services and the pallbearers were from amongst his friends, officials of this church where he had been pastor for five fruitful years. The three sons with the families of the two who are married were present at the funeral. Also an older brother from Columbus, Ohio.

Arthur Warren Rice

BY GEO. H. STUNTZ

Arthur Warren Rice was born January 23, 1864, in Waterloo, New York, and died July 14, 1928, in Las Animas, Colorado, at the age of 64 years, 6 months and 21 days. He grew to manhood and received his earlier education in the city and section of his birth. In the year 1888 he was admitted into membership in the Central New York Conference and remained in that relationship until the year 1907, when he was transferred to the Colorado Conference.

In the year that he was admitted into membership in the eastern conference he was united in marriage to Nellie White of Waterloo, New York. To this union five children were born—Homer R. of Medford, Oregon; Clinton L. of Evansville, Indiana; Gertrude R. Askey of Ponca City, Oklahoma; Lenora R. Lloyd of Denver Colorado. Irma Jane died in infancy.

Brother Rice served the following charges in the Colorado Conference: Sheridan Lake, Ordway, Central City, Wray, Las Animas, Manzanola, and Holly.

In the year 1920, on November 23, he was united in marriage to Mrs. Josephine Raber of Las Animas, Colorado. She and the four sons and daughters above mentioned survive him and all were present at his death.

He was a man of God. His sermons were like his life—plain and without ostentation, fearless in his portrayal of the effects of sin, and loving in the offers of the only remedy for sin. He was a sensible fundamentalist in his interpretation of the Scriptures and was a loyal citizen of his country. No one will be able to say too much of his Christian manhood in every respect. His children have a most wonderful legacy.

He was granted the Retired Relationship at the 1927 session of the Colorado Conference and came back to Las Animas to spend his declining years, to the great joy of all who knew him. He had greatly endeared himself to this people by his loyalty to every good thing, and his pure, devoted

life will continue to live in a most helpful way all through the coming years. Funeral services were held from the M. E. Church at 1:30 Monday afternoon and were largely attended by sorrowing friends of this community, Holly and other points where he had labored. The services were conducted by Rev. G. H. Stuntz, D.D., pastor of the church, assisted by the pastor of the Holly M. E. Church.

Following the funeral, the body was shipped to his old home at Waterloo, New York, for burial.

George Porter Avery

BY EDMUND M. MILLS

Rev. George Porter Avery, A.M., was born in Ledyard, New York, and died in his home, Claremont, California, January 31, 1928. Of the five children in this Ledyard home only one is living, Mrs. Alexander Head of Greeley, Colorado. Brother Avery had a remarkable mother, a woman who bore in her face the credentials of heaven. Cazenovia Seminary and Syracuse University gave him a preparation to become what he was—a life-long student. Ruth Baker was his first wife. To them were born Claire Avery, artist, living in Paris, one of the editors of Vogue; Delos Avery re-write man of the Chicago Examiner; Beth Avery, now Mrs. Bice of Longmont, Colorado, and Pauline, wife of Prof. John Raymond Crawford.

Some years after the decease of his wife Ruth, he met and married Miss Katherine Williams of Syracuse, New York. The son by this marriage is Curtis Edmund Avery, graduate of Pomona College and Yale University, and instructor in Stanford University. George P. Avery had no home in his ministry in which the writer of this sketch was not privileged to be a guest, and he affirms that in the more than half century he never heard an unchaste or envious word fall from his lips.

Brother Avery had certain characteristics that made him pre-eminently useful and helpful. He had the gift of making friends. Wherever he labored he won the confidence and love of the leading men of the community. Such was his reputation that he became, without seeking, pastor of leading churches in the Central New York, Minnesota and Colorado Conferences. After his pastorate in the First Church of Fort Collins he retired from the active ministry, but when he died his name was still on the bulletin of that church as assistant pastor. A lover of the beautiful, he was an artist of no mean ability. Genial, courteous, cheerful, he was welcome in all circles. This good minister of Jesus Christ was held in the greatest veneration and love in the city where he spent his last years.

At Claremont Rev. Dr. L. A. Ferris of Ontario had charge of the services. Dr. Edmund M. Mills, a friend for over half a century, pronounced the eulogy, while another intimate friend, Dr. Lawrence Dykestra, offered prayer. At the place of interment in Fort Collins, Colorado, Dr. Curtis E. Mogg, seminary and college friend, and Dean A. C. Peck of Denver made addresses.

Mrs. Mary Belle Pierce Lee

By F. J. Cox

Perhaps there are matters of urgency in heaven. At any rate, Mrs. Mary Belle Pierce Lee, one of our very noble church mothers, was suddenly called home by the Heavenly Father on February 27. Mrs. Lee was born in Illinois, March 3, 1860. She lived to be within five days of sixty-eight years old. She was born in a parsonage, she married into a parsonage, and almost her entire life's ministry was from a parsonage. Her father was Dr. Benjamin R. Pierce, one of the most stalwart ministers of the Illinois and the Southern Illinois Conferences, a pastor and district superintendent for about fifty years. In June, 1880, Miss Pierce married the Rev. Nathan Hugh Lee, a well-known and honored name in the Colorado Conference. Mrs. Lee identified her life with the life and work of her husband. They went to school together at Garrett Biblical Institute, during which time they served the charges of Arlington Heights and Grand Crossing, now Ingleside. Then on account of Mrs. Lee's frail health, Brother Lee was appointed to the charge of Laramie, Wyoming. From Laramie he was appointed to Trinidad, Colorado, then to the Grant Avenue and the Fifth Avenue churches in Denver. Then Brother Lee served six years as the superintendent of the Grand Junction District. Following his term in the superintendency, Brother Lee served the Asbury Church in Denver, then a year as Conference Evangelist, then a year as superintendent of the Anti-Saloon League in Wyoming, then as pastor of the churches at Monte Vista, Rocky Ford, Lamar, Golden, and Asbury Church in Colorado Springs. What an epic of service! And all during these years Mrs. Lee was her husband's devoted friend, his wisest counselor, his constant helper. Mrs. Lee lived to serve others. All her activities outside the home were centered in the church. She loved the missionary enterprises, and was always a leader in the home and foreign societies. In the Sunday School, the Ladies' Aid, in fact, in every department of the church, she rejoiced in her labors for the Lord. Three of her six children survive—Paul of Glendale, California, and Olin and Edna of Colorado Springs. There are four

grandchildren. First Church in Colorado Springs will greatly miss this good woman. Thousands of people throughout the state will cherish her memory, and realize a deep personal loss in her demise, for Mrs. Lee was a friend to all. She lived in the spirit and faith of Jesus. Now she is transferred to the church triumphant, where we may look forward by faith to seeing her again.

Mrs. Charlotte Hickman Lace

BY FREDERICK J. COX

Mrs. Charlotte Hickman Lace, beloved wife of Rev. Dr. John J. Lace, District Superintendent, was called to her heavenly home Friday evening, December 9, 1927. The funeral service was held in First Church, Colorado Springs. Interment was in Sioux City, Iowa. Charlotte Ella was the daughter of Rev. Dr. Simeon M. and Mary Arter Hickman. She was born in New Philadelphia, Ohio. Her early and later life was spent in the parsonage, her father being an honored minister, first of the Pittsburgh and then of the East Ohio Conference. Charlotte graduated from the Cleveland high school. Then, after attending the young ladies' seminary at Painesville, Ohio, she went to Ohio Wesleyan, where she was graduated in 1887. She taught in the city schools of Cleveland, then in New Orleans University, and when the family came west to Iowa she became a member of the faculty of Morning-side College, teaching mathematics. She was married to Rev. Dr. John J. Lace in June, 1904, and came immediately to the service of the Methodist Church in Colorado. One daughter was born, Kathryn Anne, who graduated last June from Colorado College. Her home was a haven of rest, and the abiding place of love and peace and the spiritual realities. She delighted in making it beautiful. What a delight it was to sit at her table, and what a rare privilege to spend an evening in conversation about her hearth! Mrs. Lace loved the church, and was always active in its work. She was deeply interested in every church which came under her husband's supervision. She was prominent in the organization and development of the Epworth League when that institution was in its formative period, and served several terms as district president and Conference president. The missionary enterprise was also one of her chief joys, and to both the Home and Foreign Societies she gave her generous support and efficient leadership. Most of her married life has been associated with the district superintendency. For six years on the Western District at Grand Junction, nearly ten years in Utah, and the last two and a half years at Colorado Springs, Mrs. Lace was the wise counselor and loving companion of her husband. With the most sympathetic understanding she shared his most perplexing problems and his most difficult tasks. He relied upon her judgment and rested in the assurance of her counsel. She suffered greatly during the months that the dread disease laid hold of her life, but she bore her pain patiently, and awaited death cheerfully, happy always in the assurance of her Heavenly Father's care and keeping. Now she is transferred to the church triumphant. She will not be a stranger over there; she is well known to her Master.

Mrs. Eugene H. Smith

BY MERLE M. MCCLINTOCK

Lillie Kidder was born in Epworth, Iowa, 61 years ago. She was a graduate of Cornell College at Mt. Vernon, Iowa, and it was there that she met Eugene H. Smith. The romance that began during their college years culminated in their marriage about 36 years ago. Following their marriage, they went to live in Madison, New Jersey, where Mr. Smith completed his course in theology. His first pastorate was in Sibley, Iowa, and it was there that their only child, Ruth Marie, was born. It was there, too, that the breakdown in health came that sent Mr. Smith to the West, and he went to Texas for two years. Later he was pastor in Canon City and Monte Vista, in Colorado, coming to Grand Junction for two years until his health would no longer permit him to preach. He was succeeded in 1905 by Dr. D. D. Forsyth, but he did not leave the city, moving to a ranch to spend the last days of his life near the friends who had loved him so much in the years of his ministry among them. He died here 13 years ago last Thursday, and was buried in Orchard Mesa cemetery.

After his death Mrs. Smith spent much time in California, where her daughter was attending California University, and while she was abroad continuing her musical studies. Later the two went to New York City, where for several years Mrs. Smith was superintendent of the Methodist Immigrant Girls' Home on 11th Street in New York City. She gave this position up after the marriage in China of her daughter, and was hoping to go to the Orient to join Mr. and Mrs. Taylor when the Chinese revolution drove out the missionaries and their assistants back to this country. She met Mr. and Mrs. Taylor in Pasadena and remained there for a year, and was on her way to New York with them when her final breakdown came while on a visit with old friends in Grand Junction, Colorado.

But notwithstanding the frequent and long-continued absences from the city of the past few years, Mrs. Smith was yet one of the most useful of the women in religious and social welfare circles here. She was instrumental with Mrs. Ruth Wickersham in starting the Community House and its activities on the South Side, now known as the Goodwill Industries, and much of the good done in that institution would never have been possible except for the unselfish service of Mrs. Smith. She was a worker there for two years, giving her mornings entirely without remuneration to a school she had established with the Mexican children in the adobe houses near the sugar factory, and her afternoons to the Community House and shop. No one has ever done more for the foreign-born residents of this city than did Mrs. Smith. She was vitally interested in both the foreign and home missionary programs of her church, but this interest did not prevent a deep sympathy with the lives of her neighbors, near the ranch at Bethel and later in the Fairmount community, and a practical help in all their times of need. She was a loyal member of the Eastern Star.

In addition to her daughter and her grandson, Eugene Walter Taylor, she is survived by four brothers—the Rev. George Kidder, Los Angeles; Rev. J. J. Kidder, Mt. Vernon, Iowa; Zeph Kidder, Epworth, Iowa, and W. H. Kidder, Des Moines, Iowa. A niece, Mrs. Lloyd Sisler of Epworth spent some weeks here with her aunt and cousin, leaving for her Iowa home, however, before death came. A brother-in-law, the Rev. Merle N. Smith of Pasadena, made a visit to her during the spring.

The death of Mrs. Smith will come as a personal loss to a good many friends who had been ministered to by her and by those who appreciated her marvelous qualities of unselfishness and devotion to her family and those she loved. It was said by her close friends today that her life had touched for good more lives of other people than could be easily understood, even by those who were closest to her.

Mrs. H. F. Knight

Nettie E. Fenno was born August 13, 1850, near Chicago, Illinois. When she was but one year old the family moved to Appleton, Wisconsin.

On November 20, 1869, she was united in marriage to Henry F. Knight of Sheboygan, Wisconsin. To this union were born nine children, seven of whom are still living. E. B. Knight of Payette, Rev. C. M. Knight of Emmett, Rev. L. G. of Boise, E. G. of Clear Lake, South Dakota, Mrs. J. H. Burkhalter of Clifton, Colorado, Judge W. W. Knight of Brookings, South Dakota, and C. R. of New Plymouth.

Mr. Knight being a minister of the Methodist Church, the family has lived in many different places.

She united with the Methodist Church when she was fifteen years old and remained a faithful member of that church until her death. She departed this life January 14 after an illness of four months, at New Plymouth, Idaho. The funeral service in the Congregational Church was a real demonstration of the place she held in the community. The building was packed, all seating and standing place being utilized. The floral displays were beautiful and expressive of love. Six grandsons acted as pallbearers, and the two resident pastors united in conducting the services.

After the funeral the family returned to the home where dinner was ready. There were forty members of the family present to sit down together, while there were five other family branches not represented. This is truly a wonderful record. Fifty-eight years ago this couple was married. Fourteen have married into their family. Fifty-four have been born unto these unions. And only eight times has the death angel darkened the door. Her husband, Rev. H. F. Knight, is a highly honored retired member of the Colorado Conference and has the full sympathy of his brethren.

Excell Jones

Son of Rev. and Mrs. David S. Jones. Born December 12, 1902, at Larwill, Indiana. Died August 5, 1928, at Anderson, Indiana.

X. Miscellaneous

(a) PLAN OF CONFERENCE EXAMINATIONS SUMMARY OF THE RULES OF THE BOARD OF EXAMINERS

(a) Candidates for Reception on Trial

Candidates for Admission on Trial may take examinations during the year, on recommendation of their District Superintendent, under Supervisors properly appointed.

(b) Those in the Regular Course

1. May take examinations during the year under Supervisors properly appointed by arranging therefor with the Registrar.

2. No undergraduate shall be entitled to advanced classification who is delinquent or has failed to pass, in two (2) books to be studied, or three (3) books to be read, or in one (1) book to be studied and two (2) to be read. For either Reception on Trial, or Admission in Full, and for ordination as Elder, the law permits no "conditions" whatever.

3. Upon the complete and careful reading of each book to be read, the undergraduates shall certify that fact to the Registrar.

MISCELLANEOUS

1. All those pursuing the course of study shall contribute the sum of fifty cents per annum to defray the expenses of examinations.

2. All persons working in Mission Conferences, who are seeking Reception on Trial or are pursuing the course of study under the auspices of this Conference, shall be required to pass the examinations submitted by the Conference Board before they shall be Received on Trial or advanced in the year's studies, unless the examination is in course in a foreign language.

3. All candidates for Reception on Trial and all undergraduates who have not completed their examinations shall meet the examining board at the seat of Conference the day before the session opens, to close the work of the year.

4. The examining board shall not be required to give any examination or to examine or report on any written sermon or essay after the opening of the Conference session, except at the option of the Board on satisfactory reason for not appearing within the time above specified.

(b) CONFERENCE RULES OF ORDER AND PROCEDURE

1. The President shall decide all questions of order, subject to an appeal to the Conference. In case of such appeal the question shall be taken without debate, except that the President may state the grounds of his decision, and the appellant may state the grounds of his appeal.

2. The President shall appoint all Committees, unless otherwise especially ordered by the Conference.

3. On assigning the floor to any member of the Conference, the President shall distinctly announce the name of the member to whom it is assigned.

4. No member shall absent himself from the sessions of the Conference without leave, unless he be unable to attend.

5. When any member is about to speak in debate, or to deliver any matter to the Conference, he shall arise and respectfully address the President, but shall not proceed until recognized by him.

6. No member shall be interrupted when speaking, except by the President to call him to order when he departs from the question, or uses personalities or disrespectful language; but any member may call the attention of the President to the subject when he deems a speaker out of order, and any member may explain when he thinks himself misrepresented.

7. When a member desires to speak to a question of privilege he shall briefly state the question; but it shall not be in order for him to proceed until the President shall have decided it a privileged question.

8. No person shall speak more than twice on the same question, nor more than ten minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken; provided, however, that a Committee making a report shall, through its Chairman, or one of its members selected by the Committee or its Chairman, in

all cases be entitled to ten minutes to close the debate; either to oppose the motion to lay the report on the table, or, this permission not having been used, to close the debate on the motion to adopt.

9. Resolutions shall be written and presented in duplicate by the mover. All motions shall be reduced to writing if the President, Secretary, or any member requests it.

10. All written motions, reports and communications to the Conference shall be passed to the Secretary, to be by him read to the Conference.

11. When a motion is made and seconded, or a resolution introduced or seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference.

12. The following motions shall be taken without debate:

- (1) To adjourn.
- (2) To suspend the rules.
- (3) To lay on the table.
- (4) To take from the table.
- (5) To raise the question of consideration.
- (6) Call for the previous question.
- (7) To reconsider a non-debatable motion.

13. No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection; but one or more of the following motions may be made, and they shall have precedence in the order in which they are given, namely:

- (1) To fix the time to which the Conference shall adjourn.
- (2) To adjourn.
- (3) To take a recess.
- (4) To lay on the table.
- (5) To order the previous question (cannot be laid on the table).
- (6) To postpone to a given time.
- (7) To refer.
- (8) To substitute.
- (9) To amend.
- (10) To postpone indefinitely.

14. Only one amendment to an amendment shall be in order, but then it shall be in order to move a substitute for the main question and one amendment to the substitute, and if a substitute is accepted it shall replace the original proposition.

15. It shall be in order to move the previous question—that is, that the question be taken without further debate—on any measure pending, except in cases in which character is involved; and if sustained by a vote of two-thirds the question shall be taken; nevertheless, it shall be in order under this rule to move to refer or to recommit (on either of which the vote shall be taken without debate); to divide or to lay on the table, after the previous question has been ordered. It shall not be in order to move the previous question or to move to lay on the table at the close of a speech in which the pending question has been discussed.

16. The motion to adjourn shall be taken without debate, and shall always be in order, except

- (1) When a member has the floor.
- (2) When a question is actually put, or a vote is being taken, or until decided.
- (3) When the question is pending on sustaining the demand for the previous question.
- (4) When the previous question has been called and sustained, and action under it is still pending; and
- (5) When a motion to adjourn has been negatived; and no business or debate has intervened.

17. When any motion or resolution shall have been acted upon by the Conference, it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider a non-debatable motion shall be decided without debate.

18. Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reasons, excuses him. No member shall be allowed to vote on any question who is not within the bar at the time when such question shall be put by the President, except by leave of the Conference, when such member has been necessarily absent.

19. It shall be in order for any member to call for the ayes and noes on any question before the Conference, and if the call be sustained by forty members present, the vote thereon shall be taken by ayes and noes.

20. These rules may be suspended at any time by a vote of two-thirds of the members present and voting.

APPROPRIATIONS FOR CONFERENCE CLAIMANTS' SUPPORT FOR CONFERENCE YEAR 1928-29

The support of these Claimants for any quarter depends upon what the Church Treasurers remit the *preceding quarter*. Also it is the Conference order that all deficit in Conference Claimants' receipts from charges at a session of Conference shall in proportion reduce the following fourth quarter's check to Claimants.

The Minimum Disciplinary Annuity Rate for the Colorado Conference for 1928-31 was announced as \$6.00 per quarter for each annuity year of a retired minister. The churches should send in their apportionments quarterly and fully or pro rata to each settlement day, not later than the end of each quarter—December 10, March 10, June 10.

IMPORTANT

Attention of Pastors and Church Treasurers is called to the fact that all checks for support of Conference Claimants are to be sent to the Secretary of the Board of Stewards, E. N. Edgerton, Room 312 Trinity Building, Denver, Colo.

Vouchers for checks received on apportionments will be mailed to the Pastors of the churches from which they come. Treasurers may have a duplicate voucher if they request it, otherwise the cancelled check will be their receipt.

It is to be borne in mind that the Claimants cannot be paid unless the charges pay in each quarter the amount of their quarterly apportionments. We give below a tabulation of the Claimants and their claims based on the \$22.00 rate, reminding the brethren that the legal rate is \$24.00 and that the hope is that the balance can be made good to the Claimant after Conference next year.

On the death of any Minister *not* on the retired list, the annuity claims of his dependents begin at once.

A claim is liable to lawful reduction or to extinction at the end of any quarter.
